Introduced in April 1999 a new style Age Card as launched in 2007 moving to an online ordering and payment system in January 2011.

The new design in 2007 incorporated the most advanced security features available and the 2011 card maintains that high standard to safeguard against any counterfeiting of the Age Card.

FRONT OF CARD

BACK OF CARD

Look for the following Security Features when accepting the Age Card.

1. "agecard" logo as 3D lettering.
2. Agecard text and graphics move/change colour when card is tilted (hologram)
3. Date of birth as embossed characters floating in transparent window.
4. Embossed special symbol.
5. Bright metal hologram on reverse of card
6. Ultra Violet security inks - All cards have the Garda Crest in Ultra Violet Ink. Other cards may also have:
   - Card holder name
   - Card number
   - Date of Birth

   These are visible under an Ultra Violet light only - for example a banknote checker.
7. Encoded magnetic stripe in Garda "Blue" colour.
8. "AC" animated movement from Westport to Wicklow.
